Valued Customers,

November 17, 2011

In the abundance of caution, Sinton Dairy Foods is notifying the school districts that it serves of a potential for undeclared milk in Orange Juice with the code date of Dec 1 and Apple Juice with the code date of Nov 25. Sinton is not aware of any additional product defects at this time.

The affected product is 4 oz Orange Juice, 8 oz Orange Juice and 4 oz Apple Juice of Sinton Dairy brand.

Sinton has received no reports of illness or other adverse affects from consuming the products.

Sinton continues to investigate the causes of this situation and will provide updates as the investigation continues.

Sinton will pick up and replace any remaining product with the affected code date tomorrow morning, November 18. Please contact Sinton Dairy at (800) 388-4970 if you have any questions or concerns.

Sincerely,

Matt Conner
